The class assembly of Std I D on the topic **How to Show Kindness to Animals** was a thoughtful and heartfelt event that promoted empathy and compassion for animals in our daily lives. The program highlighted various ways we can care for animals, conveyed through speeches, skits, and performances.

The assembly began with a prayer, setting a peaceful and reflective tone for the event. Students joined together to recite the National Pledge, emphasizing unity and responsibility towards our country and all living beings.

A powerful **Speech** was delivered on the importance of kindness to animals, reminding us that animals deserve respect, love, and care, just like humans. This was followed by a series of skits highlighting the different aspects of kindness to animals. In the first skit, the students demonstrated the impact of loud celebrations on animals, encouraged safe, animal-friendly festival practices and showed how simple changes can make festivals more enjoyable for both humans and animals.

The second skit focused on environmental awareness, by illustrating the dangers of plastic waste to wildlife. It portrayed the rescue of a tortoise, emphasizing the importance of keeping our environment clean to protect animals. In another skit, a young girl demonstrated kindness by regularly feeding birds and providing them with water, showing how small, thoughtful actions can make a big difference.

The **Dance** performance beautifully represented the happiness of animals when they are cared and loved for, reminding us of the joy that kindness brings to all creatures. A heartfelt Vote of Thanks was extended to everyone involved, appreciating their efforts in bringing the assembly to life and spreading awareness about kindness towards animals.

The assembly concluded with the Shanti Paat, a prayer for peace, hoping for harmony among all living beings and a world where animals are treated with compassion.
