REPORT ON THE VIRTUAL CLASS ASSEMBLY
ACADEMIC YEAR 2021-2022

Class : VII C

THEME : SCHOOL'S VISION – LIFE SKILLS

Topic : How School Stimulates Critical Thinking Among Students - 5 ways

CLASS TEACHER : Mrs. Saranya Saravanan

Date : 18th October, 2021 (Monday)

Timing: 10:40 a.m. - 11:20 a.m.

The virtual class assembly of VII C for the Academic Year 2021 was conducted on 18th October, 2021. The assembly started with the animated 3D video entry to the school virtually.

Students invoked the blessings of the Almighty through 'Gayatri Mantra'.

It was followed by "Doodle Dexterity", where students exhibited their talent on doodle art and mind map and gave a brief account on the importance of critical thinking skills. The artistic performance gave an impressive start to the assembly.

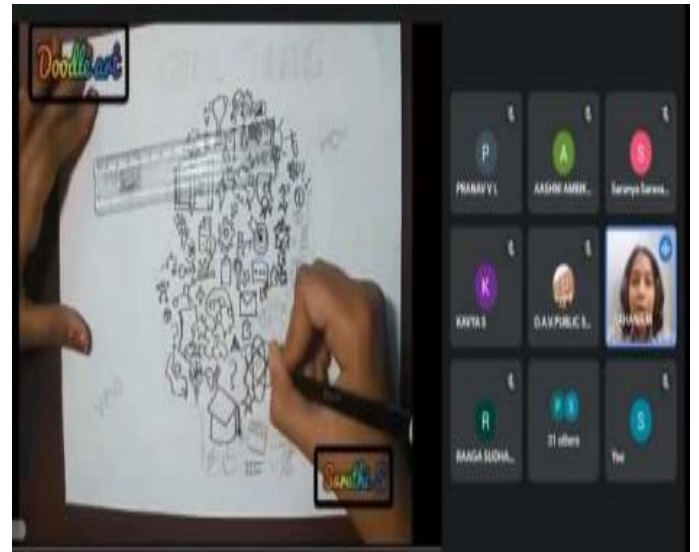

"Food for thought-anecdotal way" was a visual treat to viewers. The critical thinking part in the most familiar stories were narrated. In the subsequent programme "Music Amalgamation", four students showcased their instrumental skills by playing music on instruments which mesmerized everyone.

The next programme was "Puzzle-o-mania" where students asked questions based on critical thinking which turned out to be really interesting. It was followed by "Chat-o-corner"- a skit performed as an interview in which students acted as Alumni of the School and explained how School helped them to develop their critical thinking skills through various competitions, assessment activities, Inter mural competitions to become a successful person.

The concluding programme "Rubik's Cube Champs" solved 3*3 rubik's cube with a stopwatch running at the side. That was a dazzling performance. The programme came to an end by reciting the 'Shanti Paat' by Harini.B.

Virtual entry to School
