

## **Sports Infrastructure Upgrades**

The school proudly announces the addition of world-class sports facilities to its campus, reaffirming our commitment to nurturing well-rounded students.

### **State-of-the-Art Multipurpose Sports Box**

We have recently developed a cutting-edge Multipurpose Sports Box, a versatile arena designed to accommodate a variety of sports. Students can now engage in activities such as cricket, football, taekwondo, judo, and several minor games, all within a single, well-equipped space. This innovative facility ensures year-round access to sports, promoting physical fitness, skill development, and team spirit among our students.

### **Indoor Badminton Arena with Professional Coaching**

In addition to the Multipurpose Sports Box, the school now boasts a top-notch Indoor Badminton Arena. Featuring four high-quality badminton courts, this facility meets professional standards and provides an ideal environment for students to hone their skills. Professional coaching will be offered to aspiring players, enabling them to compete confidently at various levels and nurture a lifelong passion for the sport.

These infrastructural upgrades are part of our continuous efforts to provide students with opportunities to explore their potential, develop their talents, and lead a healthy and active lifestyle.

Join us in celebrating this milestone as we take yet another step toward excellence in education and sports.
