PRESIDENT'S ADDRESS

Dear Delegates and Faculty Advisors,

On behalf of the secretariat, it is my privilege to invite you to the Second Edition of Model United Nations : Veda Vyasa DAV Public School MUN 2021, Vikaspuri, which will be held on 6th and 7th August, 2021. VVDAV MUN has upheld its legacy in encouraging generations of students to seek their own voices and broaden their horizons.

The success of our first-ever online conference last year highlighted our capacity to broaden accessibility and convey vital insights through digital technology. Every aspect of our conference is infused with our commitment to quality.

Model UN provides students the ability to become future leaders who are knowledgeable, confident, focused, and dedicated about making a positive change in the world. MUN has moulded me into the person I am now, and I hope that it moulds other delegates into being as determined, potent, and confident as well.

I want to express my heartfelt gratitude for your continuous support to our conference. We've had to deal with roaring wildfires - a global pandemic, and a lot more in the last several months. It is my hope that delegates will have the strength to persevere in the face of adversity, VVDAV MUN will still be an unwavering and faithful stepping stone in your journey of learning and becoming a global citizen, regardless of the issues that confront our lives today.

We hope to see you as part of this year's delegations at VVDAV MUN 2021 !
