Learning made fun

A fancy dress competition was held at DAV Public School, Nerul for the tiny tots of Nursery, Jr Kg and Sr Kg sections. Themes given to students were insects, fruits/vegetables and costumes of folk dances in India. Children came dressed in colourful attires were appreciated. Parents too got an opportunity to display their creativity as they put together interesting costumes using different materials such as paper, cloth among others. The participants from Nursery section presented various insects like butterfly, bees, cockroaches and bugs. It was a pleasure to watch the toddlers of Jr Kg dress up as fruits and vegetables. Sr Kg students came dressed in attractive folk dance cos-

tumes such as Odissi, Gharba, Bhangra and many more. Through this event, teachers could explain to their students the

nutritive value of each fruit and vegetable which is more effective than teaching from textbooks. This was an opportunity for students to learn beyond the four walls of the classroom.
