This is to certify that the DAV Mukhyamantri Public School in Chhattisgarh came into existence as a result of **MOU** between the Chhattisgarh Government and DAV College Managing Committee, New Delhi under **PPP** (Public Private Partnership) scheme. Further to add that these schools may not be treated as **newly affiliated school** but are well affiliated with CBSE for **secondary level** and transferred to the DAV College Managing Committee, New Delhi to impart quality education only while its **ownership lies with Chhattisgarh Government**.
