READING(5 MARKS)

A. Read the given passage carefully.

(1X5=5)

Fashion is a term commonly used to describe a style of clothing worn by a large number of people in a country. However popular styles of furniture ,homes and many other products are also fashions. The kinds of art ,music ,literature and sports that many people prefer can also be fashions. Thus ,a fashion is or reflects a form of behavior accepted by most people in a society. A fashion remains popular for a few months or years and then another fashion takes its place .A product or activity is in fashion or is fashionable during the period of time that many people in society accept it after a time .However ,the same product or activity becomes old-fashioned when the majority of people no longer accept it. A clothing style may start as a fashion, but its use becomes a custom of it is handed down from generation to generation. Today ,wearing long trousers is a custom for men in most countries. But changes in the colour and shape of trousers have taken place through the years.
