Dear Parents,

**SUB : EXPO 2021 (classes VII-X & Cambridge Wing)**

It gives me great pleasure to inform you that the school is organizing its annual extravaganza, EXPO 2021, for classes VII to X and Cambridge Wing on a virtual platform from 24 July to 9 August 2021. A kaleidoscope of talent, creativity, innovation and knowledge, EXPO 2021, will this year focus on bringing innovation, new levels of insight and moments of great individual and collective accomplishment besides exposure to real-world issues.

“The central task of education is to implant a will and facility for learning; it should produce not learned but learning people. The truly human society is a learning society, where everyone learns together.”

EXPO, a class wise virtual exhibition, with various relevant themes, will involve the participation of maximum students of the class. The event which is part of subject oriented pedagogy aims to foster joy of learning by fostering computer skills, experiential learning and art integration. While it will impart in depth understanding of subjects selected by class, it will also promote peer learning, teamwork and confidence, enhance communication and technical skills and lead to developing more aware, responsible and competent citizens of the country.

I once again seek your support and cooperation in the successful organization of the mega event which will once again prove the heroic and combative spirit of our school fraternity in the backdrop of the adverse conditions and ensure the fulfillment of the school vision.

Yours sincerely,

**(Mrs. Anita Wadehra)**  
**Principal.**
