

DAV PUBLIC SCHOOL, CHANDRASEKHARPUR, BHUBANESWAR-21

NOTICE

DAV(CSP)/ 1006 /2024

Date 06.03.2024

Dear Parent
Greetings of the day!

**“The universe doesn't give you what you ask for with your thoughts.
It gives you what you demand with your action.”**

Yet another year, packed with lot of events of national and international stature, celebrations and achievements has passed by and your ward has made the Alma Mater proud. I am sure you must be also equally proud of him/her.

Apart from regular academics, the School was able to organise Parents' day, Annual Sports and the Annual Exhibition successfully. Your support and encouragement towards the holistic growth of your ward was really commendable and we look forward to mutual reciprocation and goodwill in the larger interest of our children.

As we come to the end of the academic session it's time to recognize the hard work and efforts of our students. The results of the annual examination are declared today and I must place my sincere word of appreciation for the teachers as well as for your continuous support and goodwill. It is our sincere & earnest endeavor to provide quality education to our pupils and aspire to go higher and higher.

During this transition period please see that your ward reads the newspaper daily which will help to enhance the general awareness, vocabulary and writing skills. These days when the kids are spending most of their leisure time in front of TV, Computer and mobile Phones, this compulsory newspaper reading will bring in the required changes in their thinking and reasoning, which in turn reflect in the achievements of the Co-Scholastic activities of the school.

As we are getting ready to step into the New Academic Session, the school management has decided the fee structure for the session 2024-25 after due consultation with the members of Parents Teachers Coordination Committee at its meeting held on 24.01.2024 and approved by the SMC at its meeting held on 23.02.2024. The detailed fee structures for different classes are as follows:
