Ph: 9234302109

Managed by: DAV College Managing Committee, New Delhi-55

Message

“Education is about awakening- Awakening to the Power and Beauty that lies within all of us”

I believe, education is an idea about building character, enriching minds and about varied experiences that last a lifetime. So, we are always committed towards holistic development of a child.

Nestled in a serene vicinity of Ramgarh, Agrasen D.A.V Public School, proudly acclaims to be one of the most renowned schools of Ramgarh District for its quality education, infrastructure, recreational and creative activities, and a team of experienced and learned faculty members with more than 2500 students.

The rich and proud tradition of Vedic and Arya Samaj is maintained to broaden the mental horizons of the students, unfold their innate abilities, and cultivate virtue. Our vision is to establish knowledge as value, prepare students for tomorrow and promote national feelings with global outlook.

The school is consistently maintaining the tradition of giving excellent result in Board Classes. Besides, the school is excelling in the other fields like Yoga, Karate, Martial Art where the school has been champion at Zonal level in DAV National Sports. Our students have brought laurels by winning several awards in different competitions at state and national level. Our alumni are working at prestigious positions in Public sectors and multinational companies. The school always strives to endow the students with a platform to showcase their talents. To attain this, various co-curricular activities are organised under house system and students participate in programmes organised at local, district, state and national levels. In a nutshell, every care is taken to nourish and mould a child into a worthy human being.

At the end, I would like to extend my best wishes to all our students, staff, parents and well wishers

M. K. Mishra
Principal

DAV Educational Institutions

Vision & Visionaries

The DAV Institutions are the gift of Arya Samaj, a progressive movement founded by Swami Dayanand Saraswati in 1875. Swami Dayanand Saraswati, the great path-maker of modern India, led a crusade against the superstitious and pernicious practices that prevailed in contemporary India. With a view to bring about a balanced and harmonious development of the future citizens of this country and to infuse in them the ideals of Vedic Culture and high sense of patriotism, Arya Samaj founded a school at Lahore in 1886 by the name of DAYANAND ANGLO VEDIC SCHOOL. This established the DAV College Trust & Management Society, which later setup a network of such educational institutions all over India and abroad. The DAV Movement would not have achieved its goal, had not a young brilliant graduate- Mahatma Hansraj - the first Principal of the first DAV institution

offered his honorary services as 'JeevanDaan', for 25 years. Matchless also is the sacrifice of his brother, Lala Mulkraj who fulfilled his pledge of supporting Hansraj's family all these years.

A Brief History of the School

Agrasen DAV Public School, Bharech Nagar, was launched in 1993 with the co-operation of the local Agrawal community. Shri R. N. Agarwal, renowned philanthropist, industrialist, and the then Managing Director (Sri Durga Cement Company, Hesla) had donated 0.33 acre land to the School, that was later taken over by the DAV organisation. It was formally inaugurated on 17 October 1993 by Late G.P. Chopra, the then President of the DAV College Managing Committee. Hon'ble Mohanlalji, Secretary and Education Advisor, DAV College Managing Committee, New Delhi laid the foundation stone of the Mahatma Hansraj Block of the School on 10th May 2002. Now the school has grand and beautiful building well equipped with spacious library, Science labs and computer Lab. etc.

The school has classes upto +2 level and is affiliated to CBSE, New Delhi. At present, the School has a strength of more than 2700 students and an area of 3.25 acres. During a short period of twenty-eight years, it has earned a remarkable name and is now known as one of the leading schools in the Region

Aims & Objectives

The DAV schools provide a congenial environment for all-round development of the whole personality and its integration with the society, particularly in reference to the Indian context. Positive ideas are inculcated in students as regards personal hygiene, neatness of uniform, cleanliness of surroundings, graceful manners, obedience and discipline. To achieve high academic standards, personal attention is given to each individual child. Highly motivated and dedicated team of teachers play the role of a model for the children. Individual care and personalised coaching and regular efforts have woven a very vibrant and inspiring environment.

the assembly disperses with the singing of the National Anthem. Havan is performed on every Saturday and Dharma Shiksha books are prescribed to educate the students in mortal values. Vedic Initiation Camps are held twice a year.

Learning is a joy here as teachers make their lessons very interesting by following various methods of teaching viz. Demonstration, Experimentation, Project Work, Home Assignments, Play-way, Micro-teaching, Structure-method etc. Education is child centred here and singing, mimicry, playing, dramatization echo in the campus.

The strength and success of DAV schools lie in the harmonious blend of science and technology and sound grounding of ancient Vedic Culture. The aim of DAV schools is to inculcate in the students a thirst for knowledge, devotion to duty, honesty, patriotic flavour besides humanism. We impart an education “to build” and an education “today”.

School Activities

To inculcate moral values in the students, the school starts each working day with the morning assembly, that includes recitation of Veda Mantras, devotional songs, patriotic songs and thought for the day. Stress is laid on the universal aspects and eternal values of Indian Culture. Short talks are given by the students and the teachers on a variety of subjects and important current events. The news by the students are read out daily. Every morning,

House System

To create an atmosphere of healthy competition and team-spirit, most of the school activities are governed by House-system. Inter House Competitions are held regularly.

Blossoming of Latent Talents

We expose the child to hobbies like reading, sketching, singing, dancing, public speaking and gardening and ensure that discipline becomes a second nature of the child. Individual and consistent monitoring of every student enables the teacher to recognise the field in which a particular child can excel. Children with similar interests and inclinations are grouped together and then the teachers help them to nurse and cultivate their talents. They are given ample opportunity to participate at regional and national level competition. They are also trained in Yoga, Martial Arts and Music by experts. Special emphasis is given on personality development of KG and Pre-primary students. They enjoy toy room, activity room equipped with computer aided literacy, LCD projector, Interactive Smart Board etc. There is NO EXAM SYSTEM up to class II.

Educational Tours

The school plans picnics and educational tours for the students. They are taken to Historical places, Museums, Factories, Research Institutions, Botanical Garden etc. to give them a first hand knowledge.

Exhibitions

Arts & Crafts Exhibition, Science and Social Science Exhibition are held every year.

Parent – Teachers Meet

In order to establish a meaningful relationship between the school and the parents, meetings are held frequently to discuss the progress of each student.

Personal File

The school maintains an individual file for all the children to have a systematic record for the academic as well as co-curricular progress and achievements.

Identity Card

An Identity Card bearing a passport size photograph and the address of the student will remain in his/her possession all the time.

Science Laboratories

There are three spacious and model science laboratories. They all are equipped with the latest laboratory gadgets and testing equipment. The labs can accommodate up to 50 students at a time. Experienced and learned teachers and experts are always ready to guide the students.

Library

The school has a very rich library with over 10,000 volumes. The books available on variety of subjects greatly facilitate learning. A constant endeavour is made to enrich the Library with the latest books as well as Audio-Visual aids.

Computer Lab & Smart Classes

The school has a spacious and modern computer lab with 60 computers which enables school to impart latest computer/IT education.

Registration

Prospectus & Registration forms for admission to the school can be obtained from the school office on cash payment/cheque or other available cashless mode. It should be duly filled and submitted, with the required documents and certificates as mentioned in the form, by the stipulated date. The registered candidates will be called for an admission test/interview/verification of records.

Registration fee is not refundable and registration is no guarantee for admission.

Test/Interview

Admission is on the 'first come first serve basis' for L.K.G. (Entry point). For admission to different classes, tests are conducted of the standard of the class passed. Overall growth, observation, self reliance are the main considerations for admission
