ASSEMBLY ON CYBER BULLYING

A special assembly was conducted, by students of class VIII. Students shared some cyber tips and rules followed by a Cyber-quiz in which all the students participated actively. Students gave a wonderful dance performance.

CYBER SAFETY TIPS

Internet has touched every aspect of life right from the beginning to the present. As people share their personal information online, most of their accounts get hacked by cyber-criminal so keeping this in mind students gave cyber tips from classes VI to IX.
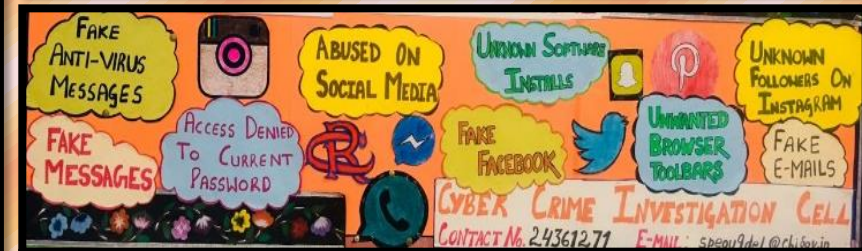

E POSTER

The Internet Safety poster is the perfect learning tool for students to understand the importance of Internet Safety. So an activity of making E-poster in MS Word was conducted for Class VIII.

BOOKMARK

On Safer Internet Day Students of class VII made wonderful Bookmarks quoting a Cyber Tip. They also distributed Bookmarks to the teachers to make them aware about cyber security and how important it is to stay secure while you are online.

Cyber Safety education is the key for keeping students safe online. As an educator we knew how important it is that kids are safe online. We have tried our best that, in **DAV** we provide tools both technical and behavioral to keep them safe online and learn how to be a great digital citizen
